OTTO GAUGE **DEEZUL** **REVIN KEVIN**

RIP-ROARIN' RACIN' ADVENTURES OF THE RHYNOTZ

"Where character counts as much as competition!"

In a secret world where racing is king, human-like rhinos live to race the fastest rat-rods throughout the vast outback known as "Koala Canyon." Friends, Revin' Kevin, Otto Gauge, and Deezul, face off against the terrible Toein' Twins, Castor and Camber.

In a duel to the finish, our favorite gear heads bang and grind metal-to-metal on the treacherous track, Monster Truck Mountain, with hidden snares from the unruly Toein' Twins. Our racing rhinos must find a way to win the coveted Koala Canyon trophy while maintaining integrity!

"Rhynotz" captures the process of designing, building, and racing on a variety of tracks and competitions. Our entertaining children's series teaches wholesome core values and positive character building; developing skills that lead to self-mastery and pride in accomplishments.

"I am so excited about the Rhynotz characters and the values they stand for. Camber, Castor, Deezul, Kandi, Kevin, and Otto are characters that my kids just want to love! Can't wait for the next book in the Rhynotz World series! Thank you for delivering a children's masterpiece!" -Leigh H.

"Whoa! Rhynotz 'The Big Race and the Secret to Boost' was an incredible, thought provoking storyline. I loved all the twists and turns and ultimately the message to always do what is right was an amazing message for the kids! I loved the characters and finding out about their secret land! Can't wait for the next book! Please hurry!" -Bob T.

Roger DeMano, U.S. Army veteran, developed The Rhynotz series inspired by his love for motor sports, auto restoration, model building, and his desire to create family-friendly entertainment.

We are looking for global representation and strategic partnerships to expand our series into a multimedia children's franchise.
